BA Degree in Social Sciences

Continuous Assessments (CAs) Timetable and Instructions -2021/2022

MOCK EXAM

Dear Student,

As you are aware, the CA tests for semester I will be conducted through the Online Examination Division at the OUSL. These will be conducted through a separate platform created for conducting exams online. **The students should complete a mock exam before submitting the CA 1 answer paper.** Therefore, please carefully read through the guidelines and instructions for mock exams given below.

Mock exam

- Only one mock exam will be given for CAs. The purpose of giving a mock exam is for the students to become familiar with the online submission procedure and to identify any technical issues when uploading the answers to the mock paper.
- There will be mock exams level-wise and course-wise. The mock exam shall consist of one question.
- Such mock exam questions will be uploaded by the module leaders **between 10th January 2022 to 13th January 2022**. Refer the timetables below for more information.
- **It is mandatory for all the students to attempt the mock exam**
- If there are any issues in uploading the mock answer to the online platform, students should inform the online examination division immediately through 0701235772 and examsonline@ou.ac.lk.
- **Please note that the grades obtained for this mock exam will not be considered for calculation of OCAM marks**
- The students can have any number of attempts to complete the mock exam.

Activating the student OUSL email account

- The online examination unit will upload the students in early January 2022 to each platform and send the instructions and guidelines via email to students to access the platform.
- **It is compulsory for you to activate your OUSL email address to get the updates and instructions from the university regarding the CAs**.
- Please note that it is mandatory for you to activate your OUSL email ID to complete the online CAs and mock exam as well. The instructions are given in the student guidelines to activate the OUSL email ID (https://reginfo.ou.ac.lk/letters/eGuide.pdf). You may also contact the IT help desk and write to the IT division (ithelpdesk@ou.ac.lk., 0112881378/ 055) if you have any issue regarding the OUSL email ID.
