## Vice-Chancellor's Message

It is with great pleasure and immense pride that I extend my warmest congratulations to the graduands of the Open University Sri Lanka (OUSL). Today marks a significant milestone in your academic journey and I am honored to share this momentous occasion with each and every one of you.

As Vice-Chancellor, I stand before you to acknowledge the dedication, hard work, and resilience that have brought you to this point. Your journey has been marked by countless hours of study, rigorous examinations, and the pursuit of knowledge that goes beyond day schools. Today, we celebrate not only your academic accomplishments but also your personal growth, leadership, and the lasting impact you will undoubtedly make on the world.

In the face of unprecedented challenges, you have demonstrated remarkable strength and adaptability. The world is changing rapidly, and you, our graduates, are the torchbearers of innovation, compassion, and positive change. Your education has equipped you with the skills to navigate complexity, solve problems, and contribute meaningfully to society. Because, you have reached your destination through self-regulated learning. This rigorous process creates self-confidence within you to overcome any challenges in your personal and professional life.

As you embark on the next chapter of your lives, I encourage you to embrace the opportunities that come your way and to continue pursuing excellence with passion and integrity. Remember that education is a lifelong journey and your thirst for knowledge should never wane. Be open to new ideas, diverse perspectives, and continuous learning.

I also want to express my gratitude to the faculty and staff who have dedicated themselves to your education. Their guidance, mentorship, and commitment to excellence have played a crucial role in shaping your academic journey. On the other hand, your success was achieved through the support of your parents, family members and friends around you and I appreciate their unwavering encouragement towards your graduation destination.

As you leave the OUSL, remember that you are not just graduates of the OUSL; you are ambassadors of knowledge, compassion and positive change. Carry the values instilled in you with pride and let them guide your actions in all that you do.

Congratulations once again, may your future be filled with success, fulfillment, and a continued commitment to making a difference in the world.

Senior Professor P.M.C. Thilakerathne  
Vice-Chancellor  
The Open University of Sri Lanka

Ladies and gentlemen

Today is a day of celebration, a day when we come together to recognize and honor the incredible achievements of the graduates before us. As we stand here on the edge of the future, we are not just witnessing a graduation ceremony; we are witnessing the birth of a new chapter in the lives of these exceptional individuals who have dedicated themselves to the pursuit of knowledge in the natural sciences.

The journey of a natural scientist is one that requires curiosity, resilience, and an unwavering commitment to the truth. Each of you has embarked on a path that demands rigorous exploration, critical thinking, and the courage to challenge the unknown. Today, we acknowledge the countless hours spent in laboratories, the late nights poring over textbooks, and the moments of revelation that have shaped your understanding of the world around us.

In the realm of natural sciences, we are not merely observers of the universe; we are participants in its grand narrative. You, the graduates, are now equipped with the tools to unravel the mysteries of the cosmos, to decipher the language of cells, to comprehend the intricacies of ecosystems, and to fathom the laws that govern our existence. Your education has empowered you to ask the right questions, to seek answers with rigor, and to contribute to the ever-expanding tapestry of human knowledge.

However, with this privilege comes a great responsibility. The world faces complex challenges – environmental crises, climate change, public health emergencies, technological dilemmas, socio-economic problems and it is to you that we look for solutions. As natural scientists, you are not only the custodians of knowledge but also the architects of a sustainable and enlightened future. Your skills, your insights, and your passion will play a pivotal role in shaping a world that is equitable, just, and in harmony with the natural order.

Remember, the pursuit of knowledge is a lifelong journey. The degree you have been awarded from the Open University of Sri Lanka is not just a testament to the years you spent at this esteemed institution but a key that unlocks the doors to continuous learning. Embrace change, stay curious, and be open to new ideas. The world is ever evolving, and as natural scientists, you have the capacity to adapt, innovate, and lead.

In conclusion, let me extend my heartfelt congratulations to each and every one of you. Your hard work, dedication, and intellectual prowess have brought you to this momentous day. As you step into the world beyond these walls, carry with you the spirit of inquiry, the flame of discovery, and the conviction that your contributions matter.

May your journey be filled with exciting discoveries, may your endeavors be guided by wisdom, and may you, the graduates of natural sciences, continue to be the trailblazers who illuminate the path for generations to come.

We are living in the era of demanding intellectual leaders who can shoulder the responsibility of developing Sri Lanka to have a better future of our children. I strongly believe that the rigorous academic journey you have gone through with the Open University of Sri Lanka paved the way for success your life for better future and you can be proud about your university for equipping knowledge, skills and competencies. I am sure that the dividends of your investment will be paid for you in multiples in the years to come.

I wish you all the very best for your future endeavours.
