As Vice-Chancellor, I stand before you to acknowledge the dedication, hard work, and resilience that have brought you to this point. Your journey has been marked by countless hours of study, rigorous examinations, and the pursuit of knowledge that goes beyond day schools. Today, we celebrate not only your academic accomplishments but also your personal growth, leadership, and the lasting impact you will undoubtedly make on the world.

In the face of unprecedented challenges, you have demonstrated remarkable strength and adaptability. The world is changing rapidly, and you, our graduates, are the torchbearers of innovation, compassion, and positive change. Your education has equipped you with the skills to navigate complexity, solve problems, and contribute meaningfully to society. Because, you have reached your destination through self-regulated learning. This rigorous process creates self-confidence within you to overcome any challenges in your personal and professional life.

As you embark on the next chapter of your lives, I encourage you to embrace the opportunities that come your way and to continue pursuing excellence with passion and integrity. Remember that education is a lifelong journey and your thirst for knowledge should never wane. Be open to new ideas, diverse perspectives, and continuous learning.

I also want to express my gratitude to the faculty and staff who have dedicated themselves to your education. Their guidance, mentorship, and commitment to excellence have played a crucial role in shaping your academic journey. On the other hand, your success was achieved through the support of your parents, family members and friends around you and I appreciate their unwavering encouragement towards your graduation destination.

As you leave the OUSL, remember that you are not just graduates of the OUSL; you are ambassadors of knowledge, compassion and positive change. Carry the values instilled in you with pride and let them guide your actions in all that you do.
