Vice Chancellor The Open University of Sri Lanka No.21, Nawala, Nugegoda

Dear Sir/Madam

Dear HSS, Hgurt, Ey. J Jor nominations pl. Ref.: 05/10/002/0025/001

Internship Programme for Undergraduates - Central Bank of Sri Lanka

The Central Bank of Sri Lanka (CBSL) wishes to commence the next three months (03) internship programme for undergraduates in January 2022. In this programme, the interns will be provided with the opportunity to learn how theoretical knowledge is applied in real environment, under the following areas of studies:

- Economics
- Statistics
- Accounting/Banking & Finance/Business Administration
- Information Technology
- Legal Studies

Only a limited number of Interns will be selected for this programme through an interview conducted by the CBSL out of the nominations from all universities. It would be much appreciated if you could nominate up to a maximum number of five (5) students from relevant areas mentioned above, enabling us to avoid interviewing a large number of applicants. Please be informed that if more than five undergraduates are nominated, only the first five in the list will be considered for the interview. We expect that the nominated undergraduates are available for internship for the entire period of three months from January 2022.

The nominations should be forwarded to Director/Human Resources of CBSL by a Dean of a faculty or Head of a department, with the recommendation of the Vice Chancellor on or before December 14, 2021. A sample nomination form is annexed.

You are kindly invited to bring the content of this letter to the notice of the relevant departments/undergraduates of your university.

Thanking you,

Yours faithfully.

Director/ Human Resource

A. M. Gunathilake
