PCR Tests in Kandy Regional Center (KRC) Negative

31 staff members of the KRC underwent PCR tests for potential virus contamination, the tests results turned out negative. However, in line with the GoSL Covid-19 guidelines, identified persons are in quarantine until 10th of December 2020.

OUSL COVID-19 GUIDELINES

A team led by Dr. Sunil de Silva developed comprehensive OUSL guidelines on preventive measures for Covid -19. This document will be circulated in all three languages in due course.

COVID 19 CASE MANAGEMENT CHART

OUSL's Medical Officer has designed a flow chart titled Covid 19 Case Management Chart. This chart tells you how to manage the event of a suspected Covid- 19 patient in the OUSL premises.

COVID-19 NOTIFICATION FORM

A Notification Form to gather information of potential COVID-19 affected staff and students at OUSL has been designed. This form will be circulated shortly.

EVENT

Thursday, 16th December 2020 @ 4:00 PM
