

REVISED – Delivery Plan: CSE3213 – ICT Skills

Dear Students,

We have clearly understood that most of the students who follow the ICT Skills Course of the StART@OUSL programme could not join the Online LIVE groups held on 26th March 2022 from 1.00pm to 5.00pm via zoom.

Thus, the following measures have been taken:

1. Continue the TWO Weekend groups already started (Group A & B) as planed in the previous Delivery Schedule. See section [Course Content, Information & Activity Schedules](#) for the already uploaded Delivery Plan.
2. Three new Weekend groups will be started (Groups C, D & E) with effect from 02nd April 2022 from 1.00pm to 5.00pm via zoom. See section [Course Content, Information & Activity Schedules](#) for the NEW Delivery Schedule of Groups C, D & E.
3. A Weekday Group will be held on Wednesdays from 8.30am to 12.30pm with effect from 30th March 2022, as previously planned. See section [Course Content, Information & Activity Schedules](#) for the Delivery Schedule of the Weekday Group.

It should be noted that all the above groups will be held LIVE via Zoom. The relevant Links will be uploaded under the LearnOUSL Online Course – Announcements - one day prior to each session.

It should also be noted that you need to join ONLY ONE group of a particular Day School Session.

The recording of each live online session will be uploaded in the online course separately for each group.

Do keep in touch with the online course & MyOUSL for the latest information regarding this course.
