Internship Programme for Undergraduates – Central Bank of Sri Lanka

This is further to our letter dated 22.03.2022 on the above subject.

The Central Bank of Sri Lanka (CBSL) has decided to postpone the internship programme communicated through the above letter, considering the possible traveling difficulties that may face by the interns during the period of the programme.

However, CBSL wishes to commence the next three (03) months internship programme for undergraduates in August 2022 subject to favorable developments in the prevailing situation of the country. Accordingly, it has been decided to call nominations for the internship programme in addition to the nominations you have already sent in response to our letter dated 22.03.2022.

Therefore, you are kindly informed to nominate a maximum of ten (10) students from your university subject to a maximum of two (02) students from one study area (Economics, Statistics, Accounting/Banking & Finance/Business Administration, Information Technology, Legal Studies). Please note that if more than two (02) undergraduates are nominated for one study area, **only the first two (02) in the list will be considered for the interview under that particular study area.** We expect that the nominated undergraduates will be available for internship for the entire period of three months from August 2022.

The nominations should be forwarded to Director/Human Resources of CBSL by the Dean of the faculty or the Head of department, with the recommendation of the Vice Chancellor **on or before August 12, 2022. The nominations should be sent in the sample nomination form attached herewith. The nominations forwarded without using the above form or received after the deadline will not be considered.**

You are kindly invited to bring the content of this letter to the notice of the relevant departments/undergraduates of your university.

Yours faithfully,

Additional Director/ Human Resources
