Decisions Made on Feedback Analysis Reports

Dear Students,

The Department of Nursing and Quality Assurance (QA) Cell of Faculty of Health Sciences have collected feedback from you as a part of QA process in the year 2020, 2021 & 2022 on Day Schools, Course Units, and Online Courses. We are grateful for your kind feedback. The Department wishes to update you regarding the actions already has been taken and some actions to be taken facilitate your learning in the academic year 2022/2023 onwards.

Concern 01: Provide printed course material before starting the semester.	**Action:** Provides e-course material to students free of charge before beginning the Semester. Further, students can purchase printed course material in case if they want from the OUSL bookshop.
Concern 02: Requesting Day School lecture recordings	**Action:** Recorded Day Schools (DS) lectures have been uploaded on the LearnOUSL platform for later reference of students
Concern 03: Requesting past papers	**Action:** Past papers have been uploaded to library repository (Link: http://pqp.ou.ac.lk/) and LearnOUSL. Library link will be added to future undergraduate guidebooks.
Concern 04: Requesting more guidance	**Action:** Students have been provided the opportunity to clarify their issues and any unclear points with the course teacher during DS or via learnOUSL message option, email, over the phone or physical meetings.
Concern 05: Request on paper discussions prior to examinations	**Action:** Conduct revision DS including paper discussions prior to NBTs and Final examinations.
Concern 06. Repair all malfunctioning multimedia devices to reduce time waste.	**Acton:** The University has taken several steps to resolve issues with IT equipment.

We kindly request your valuable contribution in the future QA activities of the Department of Nursing
