

Notice for Activity Commencement for ACAT, BTech, and BIS students from 6th May 2023– Academic Year 2022/23

Dear Students,

Academic activities for Academic Year 2022/23, going to commence on 6th May 2023. Till start Moodle courses of your registered courses, you can access the “**FET2023 Faculty Class for Engineering Technology Students**” to get aware of your course activities, zoom links for day schools, etc. **Activity Diary 2022/23** will be available to you on the faculty web page before the activity commencing date. You can refer activity diary carefully to get aware of your course activities, schedules, and academics as necessary. If any issues arise, please contact your relevant department.
