

**Responses/suggestions from the departments of Medical Laboratory Sciences  
& Pharmacy  
on the feedback received from the students after the 1<sup>st</sup> half and the 2<sup>nd</sup> half  
of the semester**

	<b>Student Feedback</b>	<b>Action taken by the department</b>
1	Sharing DS zoom link in WhatsApp group	Zoom links are shared in LearnOUSL and Student WhatsApp groups.
2	Some lectures do not give day school recordings.	Lecture recordings will be provided unless a technical difficulty arises
3	Requesting to conduct the lectures in hybrid mode of delivery	This may not be feasible, and the day schools will be held on-site or online. It is not possible to conduct day schools in hybrid mode
4	Past paper discussions with lecturers during Day schools	Tutorials will be held for a selected number of courses as per the learner support cell action plan . This number may increase in the future
5	Conducting revision day school	Revision day schools will be held for a selected number of courses as per the learner support cell action plan. This number may increase in the future
6	Providing model exam papers for the examinations	Final examination papers are available in OUSL website
7	Introduce the academic student counsellors	Student academic counsellors could be retrieved from the following link <a href="https://ou.ac.lk/acdcounselors/">https://ou.ac.lk/acdcounselors/</a>
