

IMPORTANT NOTICE

This notice is applicable only for students who are currently undergoing training & registered for industrial training modules for the aca. year 2022/2023

Dear Students ;

As per the recommendation and request of the Faculty Board of FET, a special ZOOM session has been scheduled on **21st December 2023 at 9.30 am** for students attached to the departments of **Mechanical Engineering** and **Electrical & Computer Engineering**, who have registered for industrial training modules and currently undergoing training. This is for a meeting with the newly appointed Training Engineer recently assumed duties relevant to the above two departments.

During the meeting, the newly appointed Training Engineer will be introduced to the students and a discussion will be held on LMS access plus various issues related to industrial training with the intervention of the new Training Engineer.

The ZOOM link for joining the meeting via online is as follows.

- **Topic** : Meeting to introduce Mr. J Mithulan to Students of Departments of Mechanical Engineering and Electrical & Computer Engineering
- **Time** : December 21, 2023 09:30 AM Colombo
- **Join Zoom Meeting :**
