MESSAGE FROM THE DEAN

Greetings!

Welcome to the third intake of the Management Studies degree programs conducted by the Faculty of Management Studies (FMS), The Open University of Sri Lanka. We are really proud to offer following programs for our learning partners.

- Bachelor of Management Studies Honours
- Bachelor of Management Studies Honours in Accounting and Finance
- Bachelor of Management Studies Honours in Human Resource Management
- Bachelor of Management Studies Honours in Marketing Management

The Bachelor of Management Studies Degree (BMS) can be considered as the main program conducted by The Faculty of Management Studies for more than two decades. To align with the changes in the business environment we have introduced brand new programs with the consultancy of industry, academia and all relevant stakeholders. This program has been endorsed by the University Grants Commission (UGC) in Sri Lanka. We, at the Faculty of Management Studies are offering a Quality, market-driven degree program for our learning partners to enhance their Knowledge, Skills and Attitude (KSA).

The Faculty of Management Studies is currently offering four Degree Programs, three Masters programs and several other programs with years of experience in specializing in Business Management and Entrepreneurship. FMS currently serves more than 5000 students in Sri Lanka. Sri Lanka needs to have a paradigm shift in our economy and the role of a Degree Holder needs to be redefined. The combination of classroom discussions and some case studies conducted by the program would immensely help our learning partners to become collaborators in this journey. And also we are fortunate to have a combination of university lecturers and industry experts in our panel of resource persons. It is expected to introduce an entrepreneurship unit in the faculty this year and an 'Entrepreneurial mindset' of all learning partners to be enhanced with different programs and mentoring sessions. We, at Faculty always believe professionals with a real balance of IQ and EQ (Intelligence Quotient and Emotional Quotient) are the best outcome in the country in terms of producing responsible citizens. We have a unique achievementoriented culture within FMS and the Faculty of Management Studies is really excited to take part in your academic journey with our intellectual stimulation and inspirational motivation.

Part I - GENERAL INFORMATION

The Open University of Sri Lanka

The Open University of Sri Lanka (OUSL) was established in 1980 under the University Act No. 16 of 1978 and the OUSL Ordinance No. 01 of 1990. Therefore, it has the same legal and academic status as any other national university in Sri Lanka. The OUSL is the only recognized university in Sri Lanka, where one can pursue higher education solely by distance education techniques in keeping with the philosophy of OPEN & DISTANCE LEARNING (ODL). Students and adults could pursue their studies through this methodology. The OUSL is an attractive choice of study, especially for those employed. The current student population is around 35,000. The OUSL offers courses/programmes from the Foundation and Certificate level through Bachelors to Masters and PhD degrees. The structure of study programmes provides opportunities for those who complete one programme to progress up the ladder and further improve their educational qualifications. Education at OUSL is thus a life-long experience. The OUSL functions through a network of centres spread throughout the island. The Central Campus and the Colombo Regional Centre of the Open University are located in Nawala-Colombo and are easily accessible by road and railway. The academic departments of the University are grouped into six Faculties: Education, Engineering Technology, Health Sciences, Humanities & Social Sciences, Natural Sciences and Management Studies. In its illustrious history of academic excellence, efficiency and equity we have immensely contributed to the development of management education in Sri Lanka.

The Faculty

The Faculty of Management Studies (FMS) of OUSL was established as the 6th Faculty of the OUSL with the purpose of imparting management knowledge for the development of management skills and management attitudes. The faculty formally commenced its operations on 08th May 2019 and since then the services are provided to a wide spectrum of clients including young school leavers, managers, public administrators, small and medium scale entrepreneurs etc. The Faculty of Management Studies comprises of four Academic Departments; Department of Accounting & Finance (DAF), Department of Human Resources Management (DHR), Department of Marketing Management (DMM) & Department of Organizational Studies (DOS). The faculty is administered under the leadership of the Dean of the Faculty. Each Department is under a Head and all Departments are collectively responsible for all academic activities of the faculty. The Faculty Board of Management

Studies regulates all academic activities in the faculty, under the guidance of the Senate of the University. The faculty is committed to the promotion of management education and research at undergraduate and postgraduate levels where we offer management education from certificate level to PhD level through Open and Distance Learning (ODL) methodologies.

Faculty Study Programmes

The Faculty of Management Studies offers a wide range of programmes covering all the areas of educational spectrum. Our faculty offers two certificate courses; Advanced Certificate in Entrepreneurship and Small Business Management (ESBM) & Advanced Certificate in Human Resource Management (ACHRM), a Higher Diploma in Management, four degree programmes, four postgraduate programmes; Commonwealth Executive Master of Business Administration (CEMBA) & Commonwealth Executive Master of Public Administration (CEMPA), MBA in Human Resource Management, MSc. in Public Procurement and Supply Chain Management and the PhD programme.

Faculty Publications

Faculty of Management Studies publishes two journals. One is *Management Issues* which is a peer-review academic journal that publishes annually and the major focus of Management Issues is to provide a scientific base for young researchers who have completed their undergraduate and postgraduate research studies with FMS.

Sri Lanka Journal of Management Studies (SLJMS) is the official journal of the Faculty of Management Studies. The mission of SLJMS is to be the premier international journal for the exchange and advancement of research, in all fields of Management. SLJMS is a bi-annual, peer-reviewed journal that was launched parallel to the inauguration ceremony of the Faculty of Management Studies (FMS) at the Open University of Sri Lanka.

International Research Conference

The faculty proudly hosts the International Conference on Management and Entrepreneurship (ICOME) annually, continuing its tradition of bringing together experts and participants from around the world each year.

Objectives of ICOME:

- To bring local and foreign researchers and practitioners to one forum to share and disseminate current developments and insights in Business Management and Entrepreneurship
- To strengthen the scholarly and professional network among researchers
- To underpin the need for collaboration and cooperation of individuals from a wide range of professional backgrounds in Business Management and Entrepreneurship to contribute for a sustainable future

Academic Departments

Department of Organizational Studies

The Department of Organizational Studies undertakes efforts to create awareness in relation to management discipline and inculcate appropriate skills and attitudes to create excellent productive business leaders. In today's business world, high performing business leaders or management professionals are in demand. Thus, the department is contributing to cater the felt need of productive and proactive business management leaders. In this endeavor, the department strongly emphasizes theory driven empirical research and teaching rooted in the social, cultural, legal, environmental, economic and behavioral sciences.

Department of Accounting and Finance

The Department of Accounting and Finance at the OUSL strives to be the prime academic unit in disseminating knowledge and exploring insights to bridge the knowledge gaps in the field of accounting and finance. This is with the purpose to equip the learners with the required knowledge base and set of skills to excel in their chosen careers. Thus, the department performs varied functions such as, course development, course delivery, coordination and research.

Department of Human Resources Management

The Department of Human Resources Management strives to be the center for higher education relating to management of human resources. The department aims to create ethical and empathetic human resource professionals and great business partners, who are sensitive and proactive in handling the issues relating to human resource management and

development. Thus, the department facilitates knowledge propagation and creation, relating to the field of human resource management, to provide awareness on the theories, strategies and practices to create the best workplace.

Department of Marketing Management

The Department of Marketing Management aims to create responsible citizens who strive to achieve and sustain the satisfaction of customers and the organization, thereby understanding the needs of customers, creating innovative offerings and delivering the needs to sustain value for the organization. In this endeavor, the department disseminates the knowledge, skills and attitudes required for effective and responsible marketing and marketing research. Thus, the undergraduate who pursues can excel in crafting strategies in relation to 7Ps to produce optimized results for any related stakeholders and succeed in their career.

The Study System

The study system of the OUSL is based on distance learning methodologies. It is different from the conventional study system most of you are familiar with. Regular attendance at the university is not required and is therefore well suited for those of you who are employed or engaged with other commitments. Student learning is facilitated through carefully prepared printed course materials suitable for self-learning. They are provided in printed and/or electronic format. Course material are supplemented with online learning and audiovisual material. Student progress in courses is evaluated at different time intervals using a variety of assessment methods. Students should get registered online for final examinations.

Open and Distance Learning (ODL)

The undergraduates of the Faculty of Management Studies will pursue studies through Open and Distance Learning (ODL) methodology. The ODL methodology is based on self-study and independent learning. Distance learners assume responsibility to initiate a self-directed learning experience. It may initially appear as a challenging task. However, very soon, you will learn that it is a rewarding and enjoyable experience. In addition to gaining subject knowledge and skills, you will be developing many other soft skills such as self-organization and time management. Students can learn through carefully prepared study materials together with day schools and the other forms of support that facilitate learning.

Support for Learners

A range of services will be offered to support students who have entered a new learning environment.

Academic Counselling: Each student is provided counselling where the counsellor will guide the students and provide broader awareness about the university, the study system and other particulars regarding the programme of study. The assistance is available throughout the study period.

Continuing Education Courses: The Continuing Education Courses (Student Academic Readiness Training at OUSL) are offered to all new students registering for undergraduate degree programmes.

Day Schools: Day school is a concept which provides interactive sessions to students and it gives the opportunity to meet the respective course facilitators to clarify any difficulty they come across in the study material.

Online Support: This platform provides students additional help and also to familiarize them with modern learning trends and tools.

MyOUSL: MyOUSL is the student web portal which all students have to access very frequently.

Student Email Account: Students will get an OUSL email account when you register and the university will use it to communicate important academic information.

Short Message Service: The University uses SMS to provide students with important and urgent information.

Library: The OUSL operates a network of libraries comprising the main library at Central Campus and Regional Centre libraries are located at other Regional Centres.

Financial Assistance (Scholarships and Bursaries): The OUSL provides bursaries and scholarships on merit and/or on need to provide financial assistance to those who need support for study.

Learner Support Cell: The Learner Support Cell of the Faculty of Management Studies has been established to coordinate, monitor, and facilitate Learner Support Activities related to the faculty. The aim of the Learner Support Cell of Faculty of Management studies would be to identify the individual requirements of each learner and assist and support students.

The main purpose of the FLSC (Faculty Learner Support Cell) is to enhance the current Learner Support practices and develop a customized learner Support system within the faculty. FLSC ensures whether help desk is methodically conducted the learner support activities while providing easy access for the learners within Open and Distance Education.

Objectives of the Learner Support Cell:

- ➤ Identify, design, implement and improve strategies to support learners to enhance the cognitive, organizational, and emotional aspects needed to succeed in ODL setting
- Develop and recommend strategies to support the learners to quickly adapt to the ODL mode and acquire the necessary skills needed to perform well, based on the varied needs of the learners
- > Encourage and facilitate other entities within the university to initiate programs related to learner support
- Liaise with the different entities of the university and other stakeholders to facilitate learner support unit initiatives

Quality Assurance Cell

The Faculty Quality Assurance Cell (FQAC) of the Faculty of Management Studies has been established in compliance with the quality assurance system established by The Open University of Sri Lanka aligning with the guidelines of the University Grants Commission (UGC) of Sri Lanka. The main purpose of FQAC is to ensure the quality of the academic programmes offered by the Faculty to enhance the learners' experience continuously. The FQAC is comprised of a chairperson and four representatives from the four academic departments. FQAC monitors the progress of the QAC action plan activities conducted by each Department. The FQAC plays a vital role in facilitating the four Departments in enhancing the quality of teaching and learning continuously. FQAC shall function as the unit responsible for Quality Assurance (QA) within the faculty.

Part III - HOW TO APPLY

Instructions to fill the on-line application form

APPLICATIONS for the degree programmes have to be submitted online. First you need to create an online login account. Then only you can proceed to submit your application online. Please remember your username and password, as you will need them again to log in.

- 1. In the internet browser, type: https://reginfo.ou.ac.lk/applyonline/
- 2. Register ONCE by creating a new account. In order to do this, click on <u>Create</u>

 New Account as per the instructions given in the page.

Note: You need to provide information considered as MANDATORY including an email address and a mobile number, both of which may be your own or of a family member/friend. The university may use them to communicate with you, to acknowledge receipt of your applications and to provide you additional information as and when necessary.

3. Once your account has been created, you can proceed to submit your application online.

For this you need to go to "Online Application" and proceed by entering your username and password and then fill the online application form. Once you have filled all sections, submit the form (Please remember your username and password, since it is required for you to login to your account later).

Select the payment method and proceed further by following the instructions given. Application fee is Rs. 750/=. You can pay this amount by credit or debit card. Applicants who do not have a credit/debit card can make the respective payment by cash to any Regional or Study Centre of the OUSL.

4. Download the Admission Form for the Selection Test which will be available after 13th August 2025 (The link to download the admission will be shared later). Make a printout of the Admission Form as it is essential to produce it at the selection test.

Those who need assistance with the online application process can call over to any one of the Regional or Study Centres with the following information: Full name of the applicant with

the address, National identity card number, E-mail address, Mobile phone number, and Educational qualifications.

Programme Selection

The candidates can apply for only one degree programme out of the four Management Degree Programmes (BMS Honours, BMS Honours in Accounting and Finance, BMS Honours in Marketing Management, BMS Honours in Human Resource Management). Admission to degree programmes is based solely on your performance in the selection test conducted by the Faculty of Management Studies.

Please be mindful that your chosen degree programme accurately reflects your academic and career aspirations, given that all four-degree programmes include an industrial training component relevant to their respective specializations as a part of their curricula.

The minimum performance thresholds for selection may vary across regional and study centers of the OUSL. Therefore, if you are selected for the degree programme you applied, please note that you will not be permitted to change your initially applied regional or study center during the first two academic years (Levels 3 and 4). We urge you to carefully select the center where you wish to sit for the selection test and continue your academic activities.

- Before submitting your application, carefully review the programme you selected to ensure whether it accurately reflects your academic and career aspirations.
- If you have any doubts or need further guidance while making your choices, don't hesitate to reach out to the university's public information office.

Preferred Center

The <u>center you select</u> in application will be <u>applicable in attempting the selection test</u> and <u>continuing the academic activities of the programme</u>. In addition, it <u>CANNOT BE CHANGED</u> after the submission of application. Hence, please <u>select</u> the <u>center you</u> wish to continue the academic activities of the degree programme upon entry.

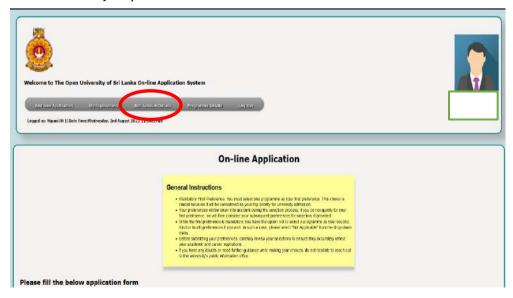

*NOTE: The list of all the Regional Centers (RCs) and Study Centers (SCs) of the OUSL is included in the final few pages of the prospectus.

Selection Test Medium

Candidates shall attempt the selection test in the medium they have selected in the application process. Selection test will be conducted in all the three languages (Sinhala, Tamil & English) as well as in all the regional and study centers of the OUSL. In addition, students are permitted to change the medium of the selection test at the registration of the degree programme. However, the medium of instruction will be changed to English at the time of registration for the degree programme.

Personal Data

The personal details you entered at the "New User Creation" when you are creating the new account, are displayed here under 'Personal Data'. If you have done any mistakes when you are filling your personal details at the beginning, then click on "Edit Account Details" and edit your personal data first.

When you are filling the educational qualifications, work experience and other qualifications please make sure to include them properly and accurately.

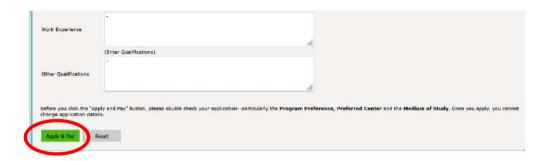

The below mentioned part is a small guide on how to fill it.

- a) Any three passes in one and same sitting at the General Certificate of Education (G.C.E) Advanced Level Examination, Sri Lanka → Mention your results in the box in front of "GCE A/L"
- b) Successfully completed any Foundation Programme adding up to 60 credits at Level 1 and Level 2 offered by the Open University of Sri Lanka → Mention that you have completed the course under "Other Qualifications"
- c) Successfully completed an advanced certificate programme having 30 SLQF credits at SLQF Level 2 offered by the Faculty of Management Studies of OUSL → Mention that you have completed the course or results are pending under "Other Oualifications".
- d) Successfully completed an advanced certificate programme of OUSL having 30 SLQF credits at SLQF Level 2 → Mention that you have completed the course under "Other Qualifications"
- e) An equivalent or higher academic or professional qualification acceptable to the Senate → Mention that you have completed the course under "Other Qualifications"
- f) The students who have written the G.C.E. (A/L) Examination of 2022 whose results are pending → Mention that your results are pending in the box in front of "GCE A/L"

Step 06

After completing Step 05, click on "Apply and Pay".

Before you click the "Apply and Pay" button, please double check your application particularly the *Programme Preference*, *Preferred Center* and the *Selection Test Medium*. Once you apply, you cannot change application details.

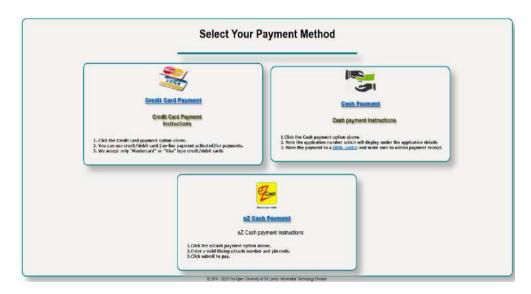

You will see a new popup in the window. Click "Okay" to confirm.

Step 07

Now, you will be directed to the following window.

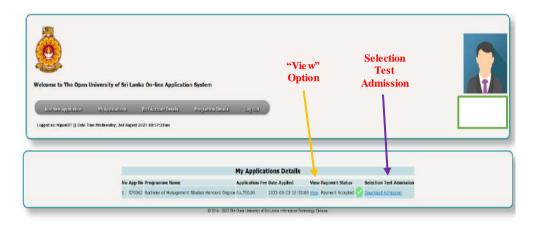

Select the preferred payment method and follow the instructions given in the web page itself.

Step 08

At the end of the payment process you can download the system generated Application Form by clicking "View".

Also, this window will display a green tick mentioning Payment Status as "Payment Accepted". Please make sure to download the admission form of the selection test from "Selection Test Admission" and bring a hard copy of it when you are coming for the selection test.

If you haven't done the payment properly, then the Payment Status will display as "Pay here" with a <u>small yellow color icon</u>.

*Note: If you encounter any difficulty in online registration, you are kindly requested to get the assistance through Coordinators from the nearest Open University Regional/Study Centers.
